14 MAR 1945

Dear Sir,

Adverting to Government Order No. CD.3207-14 dated the 12th December 1944 sanctioning the post of a Special Officer for Fuel Supply work in Bangalore City and directing that Mr. C.I. Machia will be on deputation as Special Officer up to 31st March 1945, I write to state that though it is now contemplated to entrust the Fuel Supplies work of the City, Civil & Military Station and to the Army to a private Company, the services of Mr. Machia are absolutely essential till the work is stabilise after completion of all the preliminary arrangement with which he is now busy.

Moreover, as what is proposed to be entrusted is only the work relating to supplies of fuel, arrangements will have to be continued for commandeering of plantations for arranging supplies of charcoal to the City. On account of the difficulties in transport from distant areas there are too many complaints of scarcity of this article in the City this is engaging the attention of this Department and Mr. Machia's services in this connection are considered essential.

For these reasons, I request you kindly to obtain orders of Government for continuance of the deputation of Mr. Machia, as Special Officer till the end of June 1945, for the present.

Yours sincerely,

12/3/45
